Subject: Program Supplement Agreement – Indian Hill Rd Overlay Project

The Issue

Shall the City of Auburn authorize the Director of Public Works to execute the Program Supplement Agreement with the Department of Transportation for the Indian Hill Rd Overlay Project?

Conclusion and Recommendation

Staff recommends that City Council, **BY RESOLUTION**, authorize the Director of Public Works to execute the Program Supplement No. N009 for Project Number STPL-5077 (015), in the amount of \$106,251 for the Indian Hill Rd Overlay Project.

Background

The City of Auburn through the Placer County Transportation Planning Agency received its fair share of Regional Surface Transportation Program (RSTP) Funding. The City obligated the federal funds for the Annual Street Overlay Project in June 2009 and Caltrans authorized the City to proceed with the construction for the Indian Hill Rd Overlay Project. The Program Supplement includes funding for the construction phase of the project in the amount of \$106,251 with a required local match of \$13,712 which is met by the Local Transportation Fund. The total project cost is estimated to be \$440,445.

The City has been authorized through California Department of Transportation to proceed with construction for the Indian Hill Rd Overlay Project

Alternatives Available to Council; Implications of Alternatives

1. Accept Staff Recommendations
2. Take no action.

Fiscal Impact

The total project cost is estimated to be \$440,445. Funding for this project is primarily from the federal funds that are administered by the State of California Department of Transportation under the Regional Surface Transportation Program. The matching funds required by the grant are to be provided by the Proposition 1B Road funds programmed in the 2009/10 Adopted Operating Budget.

SPECIAL COVENANTS OR REMARKS

1. ADMINISTERING AGENCY agrees that it will only proceed with work authorized for specific phase(s) with an "Authorization to Proceed" and will not proceed with future phase(s) of this project prior to receiving an "Authorization to Proceed" from the STATE for that phase(s) unless no further State or Federal funds are needed for those future phase(s).
2. The ADMINISTERING AGENCY will advertise, award and administer this project in accordance with the current published Local Assistance Procedures Manual.
3. Award information shall be submitted by the ADMINISTERING AGENCY to the District Local Assistance Engineer within 60 days after the project contract award. A copy of the award package shall also be included with the submittal of the ADMINISTERING AGENCY's first invoice for the construction contract to:

Department of Transportation
Division of Accounting
Local Programs Accounting Branch, MS #33
P. O. Box 942874
Sacramento, CA 94274-0001.

Failure to do so will cause a delay in the State processing invoices for the construction phase. Please refer to Section 15.7 "Award Package" of the Local Assistance Procedures Manual.

4. Any State and Federal funds that may have been encumbered for this project are only available for disbursement for a period of five (6) years and seven (7) years, respectively, from the start of the fiscal year(s) that those funds were appropriated within the State Budget Act. All project funds not liquidated within these periods will revert unless an executed Cooperative Work Agreement extending these dates is requested and is approved by the California Department of Finance per Government Code Section 16304. The exact date of each fund reversion will be reflected in the approved finance letter(s) issued for this project.

Notwithstanding the unliquidated sums of project specific State and Federal funding remaining and available to fund project work, any invoice for reimbursement that is not submitted to the Department on or before 60 days after that applicable fixed fund

SPECIAL COVENANTS OR REMARKS

reversion date will not be paid from that fiscal year's encumbered funds because all of these unexpended funds will be irrevocably reverted by the Department's Division of Accounting on that date.

Pursuant to a directive from the State Controller's Office and the Department of Finance, the last date to submit invoices for reimbursed work in each fiscal year is May 15th in order for payment to be made out of those then current appropriations. Project work performed and invoiced after May 15th will be reimbursed only out of available funding that might be encumbered in the subsequent fiscal year, and then only when those funds are actually allocated and encumbered as authorized by the California Transportation Commission and the Department's Accounting Office.

5. ADMINISTERING AGENCY agrees, as a minimum, to submit invoices at least once every six months commencing after the funds are encumbered for each phase by the execution of this Project Program Supplement Agreement, or by STATE's approval of an applicable Finance Letter. STATE reserves the right to suspend future authorizations/obligations, and invoice payments for any on-going or future federal-aid project by ADMINISTERING AGENCY if PROJECT costs have not been invoiced by ADMINISTERING AGENCY for a six-month period.

If no costs have been invoiced for a six-month period, ADMINISTERING AGENCY agrees to submit for each phase a written explanation of the absence of PROJECT activity along with target billing date and target billing amount.

ADMINISTERING AGENCY agrees to submit the final report documents that collectively constitute a "Report of Expenditures" within one hundred eighty (180) days of PROJECT completion. Failure of ADMINISTERING AGENCY to submit a "Final Report of Expenditures" within 180 days of PROJECT completion will result in STATE imposing sanctions upon ADMINISTERING AGENCY in accordance with the current Local Assistance Procedures Manual.

6. The Administering Agency shall not discriminate on the basis of race, religion, age, disability, color, national origin, or sex in the award and performance of any Federal-assisted contract or in the administration of its DBE Program Implementation

STPL-5077(015)

SPECIAL COVENANTS OR REMARKS

Agreement. The Administering Agency shall take all necessary and reasonable steps under 49 CFR Part 26 to ensure nondiscrimination in the award and administration of Federal-assisted contracts. The Administering Agency's DBE Implementation Agreement is incorporated by reference in this Agreement. Implementation of the DBE Implementation Agreement, including but not limited to timely reporting of DBE commitments and utilization, is a legal obligation and failure to carry out its terms shall be treated as a violation of this Agreement. Upon notification to the Administering Agency of its failure to carry out its DBE Implementation Agreement, the State may impose sanctions as provided for under 49 CFR Part 26 and may, in appropriate cases, refer the matter for enforcement under 18 U.S.C. 1001 and/or the Program Fraud Civil Remedies Act of 1986 (31 U.S.C. 3801 et seq.).

7. As a condition for receiving federal-aid highway funds for the PROJECT, the Administering Agency certifies that NO members of the elected board, council, or other key decision makers are on the Federal Government Excluded Parties List System (EPLS).
